Although the list is long for those currently serving in the Best Interest Of Humanity, those who support this Genocide against Humanity, for Money, Power, or Positions Of Authority, completely out number those working in the Best Interest Of Humanity, for now.

As Humanity Awakens To The TRUTH About Vaccinations & Testing Programs, it has become a real nightmare. The worst part of the nightmare is the Fact, The Lives Of The Unborn, Infants, Babies, Children, Adolescents, Teen Agers, Young Adults, Their Parents, Grandparents and The Elderly mean nothing to Scientists, or Political Leaders.

Unfortunately, those who support these Experimental Vaccines and Drugs, they may pay the Ultimate Price in Trials, for their part in Genocide Against Humanity. After WWII, Doctors, Nurses, Medical Scientist', Military, Politicians', The Owners of Newspapers, Magazines and Radio Stations, were all Tried For Their Part In Genocide.
